SECRETARY OF DEFENSE MEDAL FOR THE DEFENSE OF FREEDOM

1. Consideration of Eligibility for Civilian Personnel:

a. Purpose: The Secretary of Defense Medal for the Defense of Freedom is established to acknowledge civilian employees of the Department of Defense (DoD) who are killed or wounded in the line of duty. The medal symbolizes the extraordinary fidelity and essential service of the Department's civilian workforce who are an integral part of DoD and who contribute to the preservation of national security.

b. Description: The Army's Institute of Heraldry developed the medal.

(1) Medal: The eagle and shield exemplify the principles of freedom and the defense of these freedoms on which our country is founded. The laurel is emblematic of honor and high achievement.

(2) Ribbon: Red, white, and blue are our National colors. The red stripes commemorate valor and sacrifice. The wide blue stripe represents strength. The white stripes symbolize liberty as represented in our national flag. The number of red stripes represents the four terrorist attacks using hijacked airplanes, and the single blue stripe represents the terrorist attack on the Pentagon on September 11, 2001. This day, more than ever, united this country and brought to the forefront our heroic civilians.

c. Certificate: A certificate signed by the Secretary of the Army will accompany the medal.

d.
